**ScreenPlay + DVD Package Show Special!**

Get more for your money when you buy Applied Magic's Videomaker Show Special: A new ScreenPlay 60GB plus a Panasonic DMR-T3030 DVD Burner for only \$3,995! A great buy! Similar packages available on Sequel and ScreenPlay Plus. Show specials good through March 15, '03.

Applied Magic is also selling a limited number of lightly used, but like new, ScreenPlay and Sequel video editors during the Videomaker Expo. These ScreenPlay/Sequel demo units have been lovingly used and cared for by our in-house sales team. Each unit has undergone extensive testing to meet our high standards of quality and reliability. In fact, each unit comes with a full-year parts and labor warranty, **just like a brand new unit.**

You can't lose, but you can save a lot of cash when you buy one of these Videomaker specials. But come early! These units will only be offered at the Expo, First come, First Serve.

Be sure to drop by our daily, 10:30 a.m., ScreenPlay Tips & Tricks seminar to learn more about our DVD solution and how to master such effects tools as Pan & Zoom and A/B Roll. Check your show program for seminar location. **SEE YOU THERE!!**
